# Chesterfield CASA

Every day in our community, children face abuse, neglect, or abandonment. Many of these children end up before the court - not because they have committed any crime - but because their parents cannot or will not care for them. Chesterfield CASA's (Court Appointed Special Advocates) program promotes safe, permanent homes for abused and neglected children by providing trained volunteers to advocate for them throughout their involvement in the juvenile court process.

# Chesterfield CASA Superhero 5K

October 8, 2023

Westchester Commons

To support the work of CASA and raise awareness about child abuse prevention, Chesterfield CASA is planning our exciting Superhero 5K race, kid's run, and family fun event. Please join us by sponsoring our event and family fun to help our advocates be the voice of abused and neglected children in need.

[www.chesterfieldcasa.org](http://www.chesterfieldcasa.org)

Many children can't run from abuse.  
We dare you to move, to get involved, to make  
an impact, and help change our community  
for the better.

Your sponsorship dollars will allow our programs to support enough volunteers to serve all at-risk children who are referred for advocacy services. In return we would like to provide you the opportunity to attach your name to this inspiring event through a multitude of sponsorship levels. We hope you will join our superhero movement during this exciting opportunity to help us prevent child abuse. Don't see what you like? Don't hesitate to call.
